

Unleashed

Broken-insane
Twisted, at the tipping point
Hanging to hope, love and sanity by a thread
Very thin tearing thread
Right at the edge of the slender line
Toes over the solid ground stepping on nothing
Nothing but the air beneath the cliff

Mind boggled
Resistance and will power weakening
Pipe dreams fading
Emotional and mental pain excruciating
Reality biting
Humanity biting
Soul and spirit giving in to the darkness

Inferno of hate
A monster given mortality by pain
Driven by fury
A juggernaut stopped by nothing but two bright green eyes
A monster from the darkness
Bigger than the Roman Empire
Stronger than Hercules
Fearless
A beast unleashed
